

TEAM APPAREL and TEAM SUITS

The fitting was held May 6. We will continue to collect orders through Friday May 9 at 6:30 – You may turn them in to the plastic team mail box in the appropriate folders (in the viewing lobby at the Y) – be sure to include your payments. The two order forms are posted on the MEET calendar.

Note on warm-ups – the Speedo Medalist warm up suit that we have used since 2004 has finally been discontinued. We were going to use the Speedo SUPER PRO, but have learned that it will be discontinued within the next year. Therefore you may wish to wait to order team warm-ups in the fall – Speedo will probably have a new offering that we'll choose at that point. You may order the SUPER PRO if you wish to – it will blend in fairly well with the look of the Medalist that many team members have. The team sweat shirts and short are also a good alternative.
